Ted Shafer noted that he is working with the State to have a State official present at the event to celebrate the completion of Phase 1 of the Streetscape project.

The Board gave tentative approval pending the submission by EDC of a list of proposed committee members. The Commission will attempt to compile that list prior to the next EDC meeting. The Commission is interested in having ad-hoc participants who have the knowledge of the Town amenities and the type of talents required to produce a marketing brochure.
