

Town of Burlington  
Housing Plan Steering Committee

**Town informational Forum**

**Special Meeting May 3, 2022**

**7:00 pm**

**Forum held via Zoom**

Full Committee attended in addition to 1<sup>st</sup> Selectman Thompson and Planning Consultant Jocelyn Ayer. Many town residents joined in as well.

The purpose of this forum was to present information about why this plan is required and how this committee might proceed to a solution.

1<sup>st</sup> Selectman Doug Thompson started by giving a welcoming address to all in attendance and introduced all Committee members including Planning Consultant Jocelyn Ayer.

Prior to this meeting a survey was placed on Town Website for all to take so committee could gather information on the thoughts and concerns of residents

Jocelyn gave a history of her involvement with this process for other towns and is hired by the Town of Burlington to assist in this plan.

She next showed slides explaining the how and why the plan is needed and eventually will be used as a guide for town building expansion. She also mentioned that a 10 min video is available at: [www.nwhousing.org](http://www.nwhousing.org) as a resource for learning more.

Next, Committee Member Riley presented results of Survey which will be posted on Town Website.

Committee Member Mullen then gave a brief explanation about existing Senior Housing and why more is needed.

Questions were then taken from anyone in attendance and answers given. The public was asked to follow the committees work and ask questions at anytime .

In closing 1<sup>st</sup> Selectman Thompson explained that the State of Connecticut is pushing for this 5 year plan and we will accomplish it but it will be completed the Burlington Way.

Forum adjourned.
