II. Citizen Comment - Cheryl Byrne-26 Strong Street

Applied for several permits within the Town. Came before IWWC and received approval. Decided to demo house and rebuild using same footprint. Thought she was before IWWC again to get a sign off that she didn't need to come before IWWC with a new application. Commission stated that there was nothing found in the minutes of her coming before the Commission a second time and the original permit expired and the footprint is substantially different. Commission requested a new application be submitted.
Byrne stated that she is having a water problem on 2 Rowe Street-water being dumped onto property from School Street originating from West side Blvd- School Street being an Lake Garda Association road.
Commission to discuss with DPW & ZEO and report back.
