2. New Business - None

3. Old Business-

- A.** Cease & Desist-Rozek-13 Stafford Road-Ian Cole, Soil Scientist, was present and addressed the Commission stating that the debris has been removed from the stream and a restoration plan can be developed and finalized. The focus on the restoration plan will be to stabilize the disturbed areas while maintaining and enhance the primary function of this intermittent watercourse through the application of biotechnical slope stabilization. Erosion control measures will include erosion blankets, herbaceous plugs and seed mixtures where applicable. The finalized plan for the Commission's consideration will be presented at the December regular meeting. Commission agreed that an agent approval is sufficient.

4. Public Hearing(s) – None

5. Citizen Comment – None

6. Other Business Proper to Come before the Commission-

- A.** Riccio- 6 Cider Mill-Jurisdictional review for agricultural use within wetlands- Bob Riccio was present and addressed the Commission. Letter dated November 2, 2020 from David Lord, Soil Scientist was submitted and reviewed by the Commission. In his opinion, both potential paddock areas have excellent characteristics for use as horse paddocks. They contain no observed use limitations relative to soil conditions, slope, drainage, or existing vegetative patterns. Commission takes no objection to the project.
