2. <u>**Show/Cause Hearing**</u>
   A. Cease & Desist-147 Belden Road- Jerry Burns, ZEO, provided the Commission with an explanation of the reason for the Cease & Desist. Pictures submitted into record. Certified letter to homeowner submitted into record. Burns explained that the work done on the property has removed a significant amount of brush, trees, etc. with no permits. There is a visible watercourse that runs directly through the parcel as well as a large stream to the side of the structure. Work performed on the property is a regulated activity. Work done to date has caused a significant impact to the watercourses.
   Homeowner, Dean Burhoe, was present and addressed the Commission. He stated that to date the wetlands have been flagged and erosion and sedimentation controls are in place. Proposed project plan:
   IWWC Jurisdictional Review- approved to remove debris already cleared from property and cut two additional trees without removing stumps. (ZEO to oversee)
   BBHD/ZEO - approval of septic system design.
   IWWC permit-develop project plan and present to IWWC that will show: what clearing, stumping and other related activities that have occurred to date; planned activities within the 100' URA which would include any future clearing, stumping, removal or adding of fill, planned landscaping, septic system design, planned construction/renovations for the structure, manmade culvert.

3. <u>**Adjourn**</u>
   Motion Kobylarz, seconded Wilson to adjourn the meeting at 7:55pm; unanimously approved. **Meeting adjourned.**

   Respectfully Submitted for the Commission,
