

The Inland Wetlands and Watercourses Commission (IWWC) **has cancelled the regularly scheduled meeting for Wednesday, October 13, 2021 at 7 pm.**

Our next regular meeting is scheduled for **Wednesday, November 10, 2021 at 7 pm.**

Out of an abundance of caution due to the COVID-19 Delta Variant and to continue to promote public safety and the safety of our Commission and Staff, we will be meeting by digital device and/or phone for this meeting.

The Connecticut General Assembly has passed legislation that allows for a hybrid meeting which will allow a choice of in-person or Zoom participation. The Town has received approval for this option and is working with IT to get the equipment setup and tested. A notice will be posted if that is an option for this meeting.

Please check back to the News and Announcements section of the Inland Wetlands & Watercourses Commission page often for meeting updates, public hearing materials and any other important IWWC news.
