

TOWN OF BURLINGTON

PUBLIC NOTICE

**PUBLIC INFORMATIONAL MEETING
FOR THE
BURLINGTON STREETScape PHASE 2
PROJECT NO. 0170-3513GR
BURLINGTON STREETScape PHASE 3
PROJECT NO. 0020-0111**

The Town of Burlington is providing a Public Informational Forum for the Burlington streetscape Phases 2 and 3 Project in the Town of Burlington. The Forum will be held at the **Burlington Town Hall Auditorium** on **Wednesday, May 1, 2024 at 7:00 PM**. The Town Hall is located at 200 Spielman Highway, Burlington, CT 06013.

The project is currently in the final design phase. This project consists of the construction of 6 foot wide concrete sidewalks in two sections, each funded by a separate state grant. Phase 1 of the Project was previously constructed. Phase 2 includes 6-foot wide sidewalk from the intersection of Milford Street (Route 69) and Spielman Highway (Route 4) running along the north side of Spielman Highway easterly to Library Lane and then northerly along the west side of Library Lane for a total of 1,500 feet. Construction of this phase of the project is estimated to cost \$ 325,000 and is funded through a CTDOT Community Connectivity Grant Program (CCGP). Phase 3 includes the construction of a 6-foot wide sidewalk along the north side of Spielman Highway, beginning where Phase 1 ended and running easterly to Covey Road and then along the westerly side of Covey Road for a length of 750 feet. Also included in Phase 3 is a section of sidewalk along the south side of George Washington Turnpike beginning at Thompson's Way and running westerly to the existing walk for a length of 175 feet. The total length of the proposed sidewalk in Phase 3 is 925 feet. Construction of this phase of the project is estimated to cost \$ 240,000 and is funded through a Small Town Economic Assistance Program (STEAP) grant.

Information regarding this project will be available for review at the Town Clerk's office on or after 4/18/2024. The public is invited to review this information. Comments, questions and concerns may be submitted to selectmensoffice@burlingtonct.us within 14 days of this posting.

It is the Town's policy to keep the public informed and involved when such projects are undertaken. It is important that the community share its concerns to assist in the project's development. Anyone interested in obtaining further information or providing input may also do so by contacting Roy Seelye, P.E., Cardinal Engineering Associates, Inc. at (203) 238-1969.
